Enchant Guide #1

"= Max Enchantments =
Any equipment:
Unbreaking III
Mending

Bow:
Power V
Punch II
Flame
Infinity (incompatible with Mending)"
"Sword:
Sharpness V
-OR- Bane Arthrop V
-OR- Smite V
Looting III
Sweeping Edge III
Knockback II
Fire Aspect II

Fishing Rod:
Lure III
Luck of the Sea III"
"Pickaxe/Axe/Shovel:
Efficiency V
Fortune III
-OR- Silk Touch"
"=Armor Enchantments=
Any armor can have ONE of:
Blast Protection IV
Fire Protection IV
Projectile Protection IV
Protection IV (BEST)
any can have
Thorns III also, but only Chestplate can get from Enchanting Table (rest from Anvil)."
"Helmet:
Respiration III
Aqua Affinity

Boots:
Depth Strider III
-OR- Frost Walker II
Feather Falling IV

(Chestplate and Leggings have no specific enchantments)"

Enchanting #2

"Guide to the most efficient way to get the best enchantments on every item.
The order of combining items in an anvil can be very important, since a hidden value called ""rework cost"" is extremely significant."

"Principles:
1) Reduce diamond cost to the minimum, by using books for all but the first enchantment of an item.
2) Always get the maximum enchantment level possible.
3) Combine items with the least XP cost possible."
End Goal: maxed full armor (Thorns III optional), maxed sword, maxed bow (with Infinite), maxed shovel (Silk Touch), maxed Axe (Silk Touch), two maxed Pickaxe (one Silk Touch, one Fortune III), and maxed Fishing Rod.
"To achieve one full set of all the above, use an Enchanting Table to directly enchant with these enchantments:
Helmet : Protection IV
ChestplateProtectionIV
Leggings : ProtectionIV
Boots : Protection IV
Sword : Sharpness IV"
"Pickaxe : Fortune III
Pickaxe : Silk Touch
Shovel : Silk Touch
Axe : Silk Touch
Bow : Punch II
Fishing Rod : Lure III
When above gotten, may get 0-2 additional enchantments. These may reduce what is needed from book"
"Level 30 Enchanted Books needed:
Unbreaking III x1
Mending x1
Efficiency IV x8
Thorns III x4 (optnl)
Power IV x2
Flame x1
Infinity x1
Sharpness IV x1
Looting III x1
Sweeping Edge III x1
Knockback II x1"
"Fire Aspect II x1
Luck of the Sea III x1
Aqua Affinity x1
Respiration III x1
Depth Strider III x1
Feather Falling IV x1

Use the previous information as a checklist while you follow this prodedure:"
"#1. Get a wanted level 30 enchantment in the Enchanting Table.
Check what Level 30 enchantment would be applied to a Book first.

If not what is desired, check through the remaining unenchanted equipment in any order."

"If none are desired, use a one-Lapiz enchantment to get a new random enchantment in the table.

Apply the junk enchantment to a trash item or book, and discard it."
"#2. Once Table ready, use an XP farm to get up to Level 30.

#3. Enchant the item.

Repeat 1-3 until all items and books are enchanted.

Then you will combine in an Anvil."
"Order of combining in an anvil is somewhat important to reduce costs. However, much more important is the amount of ""rework"" on an item. Rework is a hidden variable which greatly affects cost, but is not directly visible."
"The rework value of an item gained from an Anvil is equal to the *higher* rework value of the two input items, plus +1.
So to minimize rework values, try to always combine two items which already have the same rework value."
"Then to also minimize base costs, apply the higher-cost enchantments from books to the item first, and lower-cost last.
The highest cost book is Thorns III, lowest cost is Mending.
This neatly works out that Mending should always be applied last of all."
"The following lists items with all enchantments in descending order of costs. These should be combined in pairs, recursively until no items remain.

Example:"
"A:item+enchantment
B:high-cost enchant
C:lower-cost enchant
D:lower-er
E:etc
F:etc
G:etc
H:lowest-cost enchant

For these items, combine A+B, then C+D, then E+F, then G+H."
"Then combine:
(A+B) + (C+D)
(E+F) + (G+H)
Lastly combine:
ABCD + EFGH

If not done in this order, enchanting the last step of a Sword can be over the maximum cost even with minimal rework costs.

Lists in order follow."
"Helmet Protection IV

Harassment

"Petition for Rule against Harassment

This book, signed on 2022-01-17, is the basis for a petition to amend the Rules of MinecraftOnline to reduce harassment of players in the game chat."
This is as an extension to the Bullying rule, which (today) makes it clear that the Absolute Free Speech rule supersedes the Bullying rule. With this amendment, we want to stop repeated sexual harassment and threats against MCO players.
Harassment, like Bullying, will be conditional, subjective, and enforced by admins (not moderators). Messages are not considered harassment until after the player has been asked to stop, by either the targeted player or a staff member.
This rule is intended to reduce strife on the server generally, by carving out a well-defined and easy to administer area of extreme speech which will not be tolerated. (not so different from the existing No-Spam rule)
"What is harassment:
- threatening physical harm to a player, or to people they know
- describing explicit sex acts directed at a non-consenting player (especially a minor)
- using racial slurs or other extreme language directed at a player"
"What is not harassment:
- threatening in-game violence
- describing your own sex life
- threats or derogatory language directed generally at large groups of people"
Simply changing from second person to third person does not preclude harassment. That is, talking about the victim to others counts as harassment exactly the same if it were said directly to the victim.
"To sign this petition:
1) from spawn, go thu glowing tunnel in NW corner
2) click [Lift Up] at -238/64/342
3) take an unsigned book out of an item frame
4) sign it, naming the book ""Harassment""
5) place the written book back into the item frame"
To otherwise support this petition -- tell your friends! Distribute copies-of-copies of this book! (first-copies available by the Glass petition wall)

"Dear Unfortunate Soul...

YOU HAVE BEEN RAIDED!!!

i took the liberty to tell you that i took a few things i found valuable to me.

No i wont return anything either"
"And thanks for the coords :)

dont worry. they're safe with me, it just means i'll be back ;)

Next time Lock Your Chests, or i may steal some more stuff from here.

Signed, AbusiveLime."

"The Art of Seduction
---
a comprehensive guide to succesfully seducing possible suitors.
---
by: AbusiveLime"
"Step 1: Planning
----------The first thing you'll need when Seducing someone is proper attire, you dont want to go in looking like last nights dinner. a good reccomendation is to wear all black as to not stand out later in the evening. >>>"
"Step 1: Planning
----------The next thing you'll need is some CHCl3
also known as chloroform, it helps with persuading them later in the evening. In the next step we will talk about proper locations..."
"Step 2: Location
----------Choosing the proper location for your rape date is key, as you dont want them feeling uncomfortable, a good recommendation is to go to a fancy resturant for the first date. >>>"
"Step 2: Location
----------When it comes to the second date, a simple coffee shop will do. just a nice place for conversation and to invite them to your place for dinner later in the evening. it is recommended to have a friend help plan with."
"Step 3: Execution
----------By now you should have won the trust of your date, this is good. if not then please retry step 2.
In this step you should have all your stuff from the planning phase ready for use."
"Step 3: Execution
----------Once dinner is done and things are cleaned up it is time to execute your plan. firstly make sure to have some Chloroform on a small napkin or paper towl, next you'll want to ""excuse yourself"" to the restroom >>>"
"Step 3: Execution
----------After doing this, with rag or paper towel in hand you will want to put your second arm around their throat as to prevent them running away, while simultaniously putting the rag over their nose and mouth."

"Step 4: Rape Fun
----------Self explanatory, do whatever you want or need to do. this is where all your hard work pays off, you deserve it! but remember to keep it quick and to leave no DNA on them for possible investigations >>>"
"Step 5: Cleanup
----------Now we preform the most time consuming part, it is important to not leave any trace of yourself on them, next thing you'll want is to dispose of them as far away as possible, preferably a few states over if possible."
"Step 5: Cleanup
----------If all is done proper by this point you will have disposed of the body in an undisclosed area far away, leaving no trails to follow; if done properly you will remain free and can even do this all again if you want..."
"DISCLAIMER
----------The author of this book takes no responsobility for anyone caught following the advice of this book or the ideas it conveys, this book is purely sattire and should be treated as such."

11. Ghast"
"
Zombie

Created by unknown commands, these near-mindless undead Steves roam the world looking for warm flesh to devour.

Zombies hunt in packs and have been known to serve Skeletons."
"
Skeleton

These keen-minded archers of long decayed Steves scour the world for delicious prey.

Skeletons generally hunt alone but have been known to domesticate and ride spiders."
" Spiders

Native predators of the world. They hunt for food by chasing it down or lurking in caves with poison.

Larger spiders have been occasionaly domesticated and ridden by Skeletons."
" Creeper

The xenophobic spawn of magically corrupt trees in sulpher rich soil. These highly intelligent plant monsters seek out living flesh in which to plant their seeds via self detonation.

Very Dangerous!"
" Blaze

Native to the Nether, these intelligent fire elementals raid and pillage for the highest bidder.

Currently all Blazes are under the command of the Wither Scourge."
" Wither Skeleton

Skeletons who have lost their souls to Wither corruption. These larger and faster undead weild blackened wither blades to spread the will of their masters."
" Wither

A super intelligent and highly dangerous magic weilding, 3-headed abomination.

These beings have recently invaded the Nether and are slowing taking over the underworld."
" Zombie Pigman

Rule Book

"---Freedonia Law---

This server has 4 primary rules.
Breaking any of these rules can result in a Permanent Ban.

1. Don't Grief
2. Don't spam Chat.
3. Don't use Cheats.
4. Don't bully in PVP."
"------Rule 1------
---Do Not Grief---

Griefing is any breaking of any blocks intentionally placed by another player, or placing blocks so they add to or obstruct another player's creations without the prior premission of that player."
"------Rule 2------
----Do Not Spam----

Spamming is typing repeated lines of text in the chat window so it fills up and prevents others from using chat to communicate. Less than 5 lines in a row will is a warning. More than 5 will result in a ban."
"------Rule 3------
---Do Not Cheat---

Cheat mods such as xray or flymod that give you the ability to do things a regular player couldn't do on the server and give an unfair advantage. Use of hacked clients is usually a ban with little warning."
"------Rule 4------
---Do Not Bully---

Bullying is a term we use only to describe the excessive repeated killing of specific players in order to harass. A few kills is just PvP but too many will result in a warning. If ignored, a ban will result."

GospelOfThomas 1

"Gospel of Thomas

1) And he said, ""Whoever finds the interpretation of these sayings will not experience death.""
2) And he said, ""Whoever finds the interpretation of these sayings will not experience death.""When he becomes troubled,"
"he will be astonished, and he will rule over the All.""
3) Jesus said, ""If those who lead you say to you, 'See, the kingdom is in the sky,' then the birds of the sky will precede you. If they say to you,'It is in the sea,' then the fish will precede you. "
Rather, the kingdom is inside of you, and it is outside of you. When you come to know yourselves, then you will become known, and you will realize that it is you who are the sons of the living father. But if you will not know yourselves, you dwell in
"poverty and it is you who are that poverty.""
4) Jesus said, ""The man old in days will not hesitate to ask a small child seven days old about the place of life, and he will live. For many who are first will become last, and they will become one and the"

"same.""
5)Jesus said, ""Recognize what is in your sight, and that which is hidden from you will become plain to you. For there is nothing hidden which will not become manifest.""
6) His disciples questioned him and said to him,"
"""Do you want us to fast? How shall we pray? Shall we give alms? What diet shall we observe?""Jesus said, ""Do not tell lies, and do not do what you hate,for all things are plain in the sight of heaven. For nothing hidden will not become manifest, and "
"nothing covered will remain without being uncovered.""
7)Jesus said, ""Blessed is the lion which becomes man when consumed by man; and cursed is the man whom the lion consumes, and the lion becomes man.""
8) and he said, ""the man is like a wise fisherman who"
cast his net into the sea and drew it up from the sea full of small fish. Among them the wise fisherman found a fine large fish. He threw all the small fish back into the sea and chose the large fish without difficulty. Whoever has ears to hear, let him
"hear.""
9)Jesus said, ""Now the sower went out, took a handful (of seeds), and scattered them. Some fell on the road; the birds came and gathered them up. Others fell on the rock, did not take root in the soil, and did not produce ears. And others fell on"
"thorns; they choked the seed(s) and worms ate them. And others fell on the good soil and it produced good fruit: it bore sixty per measure and a hundred and twenty per measure.""
10)Jesus said, ""I have cast fire upon the world, and see, I am guarding it"
"until it blazes.""
11) Jesus said, ""This heaven will pass away, and the one above it will pass away. The dead are not alive, and the living will not die. In the days when you consumed what is dead, you made it what is alive. When you come to dwell in the "
"light, what will you do? On the day when you were one you became two. But when you become two, what will you do?""
12) The disciples said to Jesus, ""We know that you will depart from us. Who is to be our leader?"" Jesus said to them, ""Wharever you are to go"
"to James the righteous, for whose sake heaven and earth came into being.""
13) Jesus said to his disciples, ""Compare me to someone and tell me whom I am like."" Simon Peter said to him, ""You are like a righteous angel.""
Matthew said to him, ""You are like a"
"wise philosopher.""
Thomas said to him, ""Master, my mouth is wholly incapable of saying whom you are like.""
Jesus said, ""I am not your master. Because you have drunk, you have become intoxicated from the bubbling spring which I have measured out."""
"And he took him and withdrew and told him three things. When Thomas returned to his companions, they asked him, ""What did Jesus say to you?""
Thomas said to them, ""If I tell you one of the things which he told me, you will pick up stones and throw them at "
"me; a fire will come out of the stones and burn you up.""
14) Jesus said to them, ""If you fast, you will give rise to sin for yourselves; and if you pray, you will be condemned; and if you give alms, you will do harm to your spirits. When you go into any"
"land and walk about in the districts, if they receive you, eat what they will set before you, and heal the sick among them. For what goes into your mouth will not defile you, but that which issues from your mouth - it is that which will defile you.""
"
"15) Jesus said, ""When you see one who was not born of woman, prostrate yourselves on your faces and worship him. That one is your father.""

16) Jesus said, ""Men think, perhaps, that it is peace which I have come to cast upon the world. They do not know "
that it is dissension which I have come to cast upon the earth: fire, sword, and war. For there will be five in a house: three will be against two, and two against three, the father against the son, and the son against the father. And they will stand
"solitary.""
17) Jesus said, ""I shall give you what no eye has seen and what no ear has heard and what no hand has touched and what has never occurred to the human mind.""
18) The disciples said to Jesus, ""Tell us how our end will be.""Jesus said, "
"""Have you discovered, then, the beginning, that you look for the end? For where the beginning is, there will the end be. Blessed is he who will take his place in the beginning; he will know the end and will not experience death.""
19) Jesus said, ""Blessed "
is he who came into being before he came into being. If you become my disciples and listen to my words, these stones will minister to you. For there are five trees for you in Paradise which remain undisturbed summer and winter and
"whose leaves do not fall. Whoever becomes acquainted with them will not experience death.""
20) The disciples said to Jesus, ""Tell us what the kingdom of heaven is like."" He said to them, ""It is like a mustard seed. It is the smallest of all seeds. "
"But when it falls on tilled soil, it produces a great plant and becomes a shelter for birds of the sky.""
21) Mary said to Jesus, ""Whom are your disciples like?""He said, ""They are like children who have settled in a field which is not theirs. "
When the owners of the field come, they will say, 'Let us have back our field.' They (will) undress in their presence in order to let them have back their field and to give it back to them. Therefore I say, if the owner of a house knows that the thief is coming, he will begin his vigil before he comes and will not let him dig through into his house of his domain to carry away his goods. You, then, be on your guard against the world. Arm yourselves with great strength lest
the robbers find a way to come to you, for the difficulty which you expect will (surely) materialize. Let there be among you a man of understanding. When the grain ripened, he came quickly with his sickle in his hand and reaped it. Whoever has ears to
"hear, let him hear.""
(22) Jesus saw infants being suckled. He said to his disciples, ""These infants being suckled are like those who enter the kingdom."" They said to him, ""Shall we then, as children, enter the kingdom?"" Jesus said to them, "
"""When you make the two one, and when you make the inside like the outside and the outside like the inside, and the above like the below, and when you make the male and the female one and the same, so that the male not be male nor the female;"
"and when you fashion eyes in the place of an eye, and a hand in place of a hand, and a foot in place of a foot, and a likeness in place of a likeness; then will you enter the kingdom.""
23) Jesus said, ""I shall choose you, one out of a thousand, and two"
"out of ten thousand, and they shall stand as a single one.""
24) His disciples said to him, ""Show us the place where you are, since it is necessary for us to seek it.""
He said to them, ""Whoever has ears, let him hear. There is light within a man of light,"
"and he lights up the whole world. If he does not shine, he is darkness.""
25) Jesus said, ""Love your brother like your soul, guard him like the pupil of your eye.""
26) Jesus said, ""You see the mote in your brother's eye, but you do not see the beam in"
"your own eye. When you cast the beam out of your own eye, then you will see clearly to cast the mote from your brother's eye.""
27) <Jesus said,> ""If you do not fast as regards the world, you will not find the kingdom. If you do not observe the Sabbath"
"as a Sabbath, you will not see the father.""

28) Jesus said, ""I took my place in the midst of the world, and I appeared to them in flesh. I found all of them intoxicated; I found none of them thirsty. And my soul became afflicted for the sons of men,"
"because they are blind in their hearts and do not have sight; for empty they came into the world, and empty too they seek to leave the world. But for the moment they are intoxicated. When they shake off their wine, then they will repent.""
"
"29) Jesus said, ""If the flesh came into being because of spirit, it is a wonder. But if spirit came into being because of the body, it is a wonder of wonders. Indeed
30) Jesus said, ""Where there are three gods, they are gods. Where there are two or one,"
" I am with him.""
31) Jesus said, ""No prophet is accepted in his own village; no physician heals those who know him.""
32) Jesus said, ""A city being built on a high mountain and fortified cannot fall, nor can it be hidden.""
33) Jesus said, ""Preach from your"
" housetops that which you will hear in your ear. For no one lights a lamp and puts it under a bushel, nor does he put it in a hidden place, but rather he sets it on a lamp stand so that everyone who enters and leaves will see its light.""
"
"34) Jesus said, ""If a blind man leads a blind man, they will both fall into a pit.""
(35) Jesus said, ""It is not possible for anyone to enter the house of a strong man and take it by force unless he binds his hands; then he will (be able to) ransack his"
"house.""
36) Jesus said, ""Do not be concerned from morning until evening and from evening until morning about what you will wear.""
37) His disciples said, ""When will you become revealed to us and when shall we see you?""""
"Jesus said, ""When you disrobe without being ashamed and take up your garments and place them under your feet like little children and tread on them, then will you see the son of the living one, and you will not be afraid""
"
"38) Jesus said, ""Many times have you desired to hear these words which I am saying to you, and you have no one else to hear them from. There will be days when you will look for me and will not find me.""
"
"39) Jesus said, ""The pharisees and the scribes have taken the keys of knowledge (gnosis) and hidden them. They themselves have not entered, nor have they allowed to enter those who wish to. You, however, be as wise as serpents and as innocent as doves.""""
" 40) Jesus said, ""A grapevine has been planted outside of the father, but being unsound, it will be pulled up by its roots and destroyed.""
41) Jesus said, ""Whoever has something in his hand will receive more, and whoever has nothing will be deprived of"
"even the little he has.""
42) Jesus said, ""Become passers-by.""
43) His disciples said to him, ""Who are you, that you should say these things to us?"" <Jesus said to them,> ""You do not realize who I am from what I say to you, but you have become like the "
"Jews, for they (either) love the tree and hate its fruit (or) love the fruit and hate the tree.""
44) Jesus said, ""Whoever blasphemes against the father will be forgiven, and whoever blasphemes against the son will be forgiven, but whoever blasphemes"
" against the holy spirit will not be forgiven either on earth or in heaven.""
45) Jesus said, ""Grapes are not harvested from thorns, nor are figs gathered from thistles, for they do not produce fruit. A good man brings forth good from his storehouse;"
"an evil man brings forth evil things from his evil storehouse, which is in his heart, and says evil things. For out of the abundance of the heart he brings forth evil things.""
46) Jesus said, ""Among those born of women, from Adam until John the Baptist,"

"there is no one so superior to John the Baptist that his eyes should not be lowered (before him). Yet I have said, whichever one of you comes to be a child will be acquainted with the kingdom and will become superior to John.""
"

GospelOfThomas 2

"47) Jesus said, ""It is impossible for a man to mount two horses or to stretch two bows. And it is impossible for a servant to serve two masters; otherwise, he will honor the one and treat the other contemptuously. No man drinks old wine and immediately "
" desires to drink new wine. And new wine is not put into old wineskins, lest they burst; nor is old wine put into a new wineskin, lest it spoil it. An old patch is not sewn onto a new garment, because a tear would result.""
(48) Jesus said, "
"""If two make peace with each other in this one house, they will say to the mountain, 'Move Away,' and it will move away.""
49) Jesus said, ""Blessed are the solitary and elect, for you will find the kingdom. For you are from it, and to it you will return.""
"
"50) Jesus said, ""If they say to you, 'Where did you come from?', say to them, 'We came from the light, the place where the light came into being on its own accord and established itself and became manifest through their image.' If they say to you,"
"'Is it you?', say, 'We are its children, we are the elect of the living father.' If they ask you, 'What is the sign of your father in you?', say to them, 'It is movement and repose.'""
51) His disciples said to him, ""When will the repose of the dead "
"come about, and when will the new world come?""
He said to them, ""What you look forward to has already come, but you do not recognize it.""
52) His disciples said to him, ""Twenty-four prophets spoke in Israel, and all of them spoke in you.""
"He said to them, ""You have omitted the one living in your presence and have spoken (only) of the dead.""
53) His disciples said to him, ""Is circumcision beneficial or not?""
He said to them, ""If it were beneficial, their father would beget them already"
"circumcised from their mother. Rather, the true circumcision in spirit has become completely profitable.""
54) Jesus said, ""Blessed are the poor, for yours is the kingdom of heaven.""
(55) Jesus said, ""Whoever does not hate his father and his mother cannot"
"become a disciple to me. And whoever does not hate his brothers and sisters and take up his cross in my way will not be worthy of me.""
56) Jesus said, ""Whoever has come to understand the world has found (only) a corpse, and whoever has found a corpse"
" is superior to the world.""
57) Jesus said, ""The kingdom of the father is like a man who had good seed. His enemy came by night and sowed weeds among the good seed. The man did not allow them to pull up the weeds;
he said to them, 'I am afraid that you "
"will go intending to pull up the weeds and pull up the wheat along with them.' For on the day of the harvest the weeds will be plainly visible, and they will be pulled up and burned.""
58) Jesus said, ""Blessed is the man who has suffered and found life.""
"59) Jesus said, ""Take heed of the living one while you are alive, lest you die and seek to see him and be unable to do so.""
60) <They saw> a Samaritan carrying a lamb on his way to Judea. He said to his disciples, ""That man is round about the lamb.""
"They said to him, ""So that he may kill it and eat it.""
He said to them, ""While it is alive, he will not eat it, but only when he has killed it and it has become a corpse.""

They said to him, ""He cannot do so otherwise.""
He said to them, ""You too, look for"
"a place for yourself within repose, lest you become a corpse and be eaten.""
61) Jesus said, ""Two will rest on a bed: the one will die, and the other will live."" Salome said, ""Who are you, man, that you ... have come up on my couch and eaten from my "
"table?""
Jesus said to her, ""I am he who exists from the undivided. I was given some of the things of my father.""
<...> ""I am your disciple.""<...> ""Therefore I say, if he is destroyed, he will be filled with light, but if he is divided, he will be filled"
"with darkness.""
62) Jesus said, ""It is to those who are worthy of my mysteries that I tell my mysteries. Do not let your left (hand) know what your right (hand) is doing.""
63) Jesus said, ""There was a rich man who had much money. He said, 'I shall put my"
"money to use so that I may sow, reap, plant, and fill my storehouse with produce, with the result that I shall lack nothing.' Such were his intentions, but that same night he died. Let him who has ears hear.""
64) Jesus said, ""A man had received visitors. "
"And when he had prepared the dinner, he sent his servant to invite the guests.
He went to the first one and said to him, 'My master invites you.' He said, 'I have claims against some merchants. They are coming to me this evening. I must go and give them"
"my orders. I ask to be excused from the dinner.'
He went to another and said to him, 'My master has invited you.' He said to him, 'I have just bought a house and am required for the day. I shall not have any spare time.' He went to another and said to him"
, 'My master invites you.' He said to him, 'My friend is going to get married, and I am to prepare the banquet. I shall not be able to come. I ask to be excused from the dinner.'He went to another and said to him, 'My master invites you.' He said to him,
" 'I have just bought a farm, and I am on my way to collect the rent. I shall not be able to come. I ask to be excused.'
The servant returned and said to his master, 'Those whom you invited to the dinner have asked to be excused.' The master said to his "
"servant, 'Go outside to the streets and bring back those whom you happen to meet, so that they may dine.'
Businessmen and merchants will not enter the places of my father.""
65) He said, ""There was a good man who owned a vineyard. He leased it to tenant "
farmers so that they might work it and he might collect the produce from them. He sent his servant so that the tenants might give him the produce of the vineyard. They seized his servant and beat him, all but killing him. The servant went back and told
his master. The master said, 'Perhaps he did not recognize them.' He sent another servant. The tenants beat this one as well. Then the owner sent his son and said, 'Perhaps they will show respect to my son. Because the tenants knew that it was he who was
"the heir to the vineyard, they seized him and killed him. Let him who has ears hear.""
66) Jesus said, ""Show me the stone which the builders have rejected. That one is the cornerstone.""
67) Jesus said, ""If one who knows the all still feels a personal "
"deficiency, he is completely deficient.""
68) Jesus said, ""Blessed are you when you are hated and persecuted. Wherever you have been persecuted they will find no place.""
69) Jesus said, ""Blessed are they who have been persecuted within themselves. It is "
"they who have truly come to know the father. Blessed are the hungry, for the belly of him who desires will be filled.""
70) Jesus said, ""That which you have will save you if you bring it forth from yourselves. That which you do not have within you will "
"kill you if you do not have it within you.""

71) Jesus said, ""I shall destroy this house, and no one will be able to build it [...].""
72) A man said to him, ""Tell my brothers to divide my father's possessions with me.""He said to him, ""O man, who has made "
"me a divider?""
He turned to his disciples and said to them, ""I am not a divider, am I?""
73) Jesus said, ""The harvest is great but the laborers are few. Beseech the Lord, therefore, to send out laborers to the harvest.""""
"74) He said, ""O Lord, there are many around the drinking trough, but there is nothing in the cistern.""
(75) Jesus said, ""Many are standing at the door, but it is the solitary who will enter the bridal chamber.""
76) Jesus said, ""The kingdom of the father"
is like a merchant who had a consignment of merchandise and who discovered a pearl. That merchant was shrewd. He sold the merchandise and bought the pearl alone for himself. You too, seek his unfailing and enduring treasure where no moth comes near to
" devour and no worm destroys.""
77) Jesus said, ""It is I who am the light which is above them all. It is I who am the all. From me did the all come forth, and unto me did the all extend. Split a piece of wood, and I am there. Lift up the stone, and you "
"will find me there.""
78) Jesus said, ""Why have you come out into the desert? To see a reed shaken by the wind? And to see a man clothed in fine garments like your kings and your great men? Upon them are the fine garments, and they are unable to discern "
"truth.""
79) A woman from the crowd said to him, ""Blessed are the womb which bore you and the breasts which nourished you."" He said to her, ""Blessed are those who have heard the word of the father and have truly kept it. For there will be days when you"
"will say, 'Blessed are the womb which has not conceived and the breasts which have not given milk.'""
80) Jesus said, ""He who has recognized the world has found the body, but he who has found the body is superior to the world.""
81) Jesus said, ""Let him who"
"has grown rich be king, and let him who possesses power renounce it.""
82) Jesus said, ""He who is near me is near the fire, and he who is far from me is far from the kingdom.""
83) Jesus said, ""The images are manifest to man, but the light in them remains"
"concealed in the image of the light of the father. He will become manifest, but his image will remain concealed by his light.""
84) Jesus said, ""When you see your likeness, you rejoice. But when you see your images which came into being before you, and "
"which neither die not become manifest, how much you will have to bear!""
85) Jesus said, ""Adam came into being from a great power and a great wealth, but he did not become worthy of you. For had he been worthy, he would not have experienced death.""""
"86) Jesus said, ""The foxes have their holes and the birds have their nests, but the son of man has no place to lay his head and rest.""
87) Jesus said, ""Wretched is the body that is dependant upon a body, and wretched is the soul that is dependent on these"
" two.""
88) Jesus said, ""The angels and the prophets will come to you and give to you those things you (already) have. And you too, give them those things which you have, and say to yourselves, 'When will they come and take what is theirs?'""""
"89) Jesus said, ""Why do you wash the outside of the cup? Do you not realize that he who made the inside is the same one who made the outside?""
90) Jesus said, ""Come unto me, for my yoke is easy and my lordship is mild, and you will find repose for "

"yourselves.""
91) They said to him, ""Tell us who you are so that we may believe in you.""
He said to them, ""You read the face of the sky and of the earth, but you have not recognized the one who is before you, and you do not know how to read this moment."""
"92) Jesus said, ""Seek and you will find. Yet, what you asked me about in former times and which I did not tell you then, now I do desire to tell, but you do not inquire after it.""
93) <Jesus said,> ""Do not give what is holy to dogs, lest they throw them"
"on the dungheap. Do not throw the pearls to swine, lest they [...] it [...].""
94) Jesus said, ""He who seeks will find, and he who knocks will be let in.""
95) Jesus said, ""If you have money, do not lend it at interest, but give it to one from whom you will"
"not get it back.""
96) Jesus said, ""The kingdom of the father is like a certain woman. She took a little leaven, concealed it in some dough, and made it into large loaves. Let him who has ears hear.""
97) Jesus said, ""The kingdom of the father is like a"
certain woman who was carrying a jar full of meal. While she was walking on the road, still some distance from home, the handle of the jar broke and the meal emptied out behind her on the road. She did not realize it; she had noticed no accident. When she
"reached her house, she set the jar down and found it empty.""
98) Jesus said, ""The kingdom of the father is like a certain man who wanted to kill a powerful man. In his own house he drew his sword and stuck it into the wall in order to find out"
"whether his hand could carry through. Then he slew the powerful man.""
99) The disciples said to him, ""Your brothers and your mother are standing outside."" He said to them, ""Those here who do the will of my father are my brothers and my mother. It is they "
"who will enter the kingdom of my father.""
100) They showed Jesus a gold coin and said to him, ""Caesar's men demand taxes from us.""
He said to them, ""Give Caesar what belongs to Caesar, give God what belongs to God, and give me what is mine."""
"101) <Jesus said,> ""Whoever does not hate his father and his mother as I do cannot become a disciple to me. And whoever does not love his father and his mother as I do cannot become a disciple to me. For my mother [...], but my true mother gave me life."""

GospelOfThomas 3

"102) Jesus said, ""Woe to the pharisees, for they are like a dog sleeping in the manger of oxen, for neither does he eat nor does he let the oxen eat.""
103) Jesus said, ""Fortunate is the man who knows where the brigands will enter, so that he may get up,"
"muster his domain, and arm himself before they invade.""
104) They said to Jesus, ""Come, let us pray today and let us fast.""
Jesus said, ""What is the sin that I have committed, or wherein have I been defeated? But when the bridegroom leaves the bridal"
" chamber, then let them fast and pray.""
105) Jesus said, ""He who knows the father and the mother will be called the son of a harlot.""
106) Jesus said, ""When you make the two one, you will become the sons of man, and when you say, 'Mountain, move away, "
"' it will move away.""
107) Jesus said, ""The kingdom is like a shepherd who had a hundred sheep. One of them, the largest, went astray. He left the ninety-nine sheep and looked for that one until he found it. When he had gone to such trouble, he said to"
" the sheep, 'I care for you more than the ninety-nine."""

108) Jesus said, ""He who will drink from my mouth will become like me. I myself shall become he, and the things that are hidden will be revealed to him.""
109) Jesus said, ""The kingdom is like a man"
who had a hidden treasure in his field without knowing it. And after he died, he left it to his son. The son did not know (about the treasure). He inherited the field and sold it.And the one who bought it went plowing and found the treasure. He began to
" lend money at interest to whomever he wished.""
110) Jesus said, ""Whoever finds the world and becomes rich, let him renounce the world.""
111) Jesus said, ""The heavens and the earth will be rolled up in your presence. And the one who lives from the living "
"one will not see death."" Does not Jesus say, ""Whoever finds himself is superior to the world?""
112) Jesus said, ""Woe to the flesh that depends on the soul; woe to the soul that depends on the flesh.""
"
"113) His disciples said to him, ""When will the kingdom come?"" <Jesus said,> ""It will not come by waiting for it. It will not be a matter of saying 'here it is' or 'there it is.' Rather, the kingdom of the father is spread out upon the earth, and men do"
"not see it.""
114) Simon Peter said to him, ""Let Mary leave us, for women are not worthy of life."" Jesus said, ""I myself shall lead her in order to make her male,so that she too may become a living spirit resembling you males. For every woman who will make"
"herself male will enter the kingdom of heaven.""

alspal

Sensual Pleasure

text
"Once upon a time, there was a woman called alspal. She was the sexiest woman there ever was. she could have any man she ever wanted, but there was only one man for her.

One night, she sneaked into aggrieved's house, through his window, in the middle of"
"the night. She went into his room and slithered into bed with him.

Aggrieved woke up, slowly. ""Hi sweetie, how did you get in here?"" he asked. He wasn't worried. Alspal answered with a lengthy kiss on the lips.
""I love you"" she said"
""""I love you too"" said aggrieved.

In a flurry of lust, alspal threw herself onto aggrieved, and they began to make out. She explored the full extent of his body with her hands and they began to take off each others clothes.
"

"Alspal took aggrieved's shirt off, button by button, and caressed his furry chest. ""My, your heartbeat, it's so fast"" she whispered.
Aggrieved replied ""make love to me babe""

Alspal went for the crotch, as did aggrieved. As she sensually stroked his"
humongous penis, he gently inserted his fingers into her vagina, softly at first, but as she moaned louder and louder, he fingered her more vigourously. He picked her up and slammed her against the wall. Aggrieved inserted his fully erect penis inside of
"her and thrusted as hard as he could. The whole time, they never stopped kissing. He rammed his penis inside of her so hard it almost hurt too much, but not quite. His dick was so big it was hurting her, but she loved it.

""Pound me hard,"
"daddy!"" she cried. ""I fucking love it when you call me daddy"" moaned aggrieved.

Aggrieved stopped fucking her so the alspal could slowly kiss her way down aggrieved's chest, and could start to kiss his crotch. When she reached there, she"
grabbed his penis and aggrieved shoved it into her mouth. She was gagging on his enormous penis, but she didn't mind, she wanted to please aggrieved. Alspal sucked and sucked and sucked, until she was gasping for air. The way his cock slid in and out of
"her mouth was so hot. She took his dick out of her mouth and gave aggrieved a little hand job, but aggrieved was dominant and shoved it back in her mouth.

Alspal couldn't complain, her mouth was full of aggrieved's love.
"
Then, all of a sudden, as alspal was deepthroating so so hard, aggrieved moaned even louder and hot delicious cum. Alspal tried to swallow as much as she could, but aggrieved pulled his dick out her mouth so that he could cum all over her face. Cum
"dribbled down her face and tits. She lapped as much of it up as possible.

""I'm a naughty girl"", she said, biting her cum-coated lip.

Aggrieved picked her up and placed her on the bed. He began to eat her out. His"
"tongue explored places she had never experienced such pleasures in this way before. Alspal moaned sensually, he was so delicate was his tongue, but also so rough. She loved it.

He picked her up again, and she knew what to do. Alspal sat on"
"aggrieved's face, as he licked her and ate her out. She moaned again, even louder this time. He kept going until she screamed in orgasmic euphoria. For a moment, they both lay there, exhausted.

""my appetite is yet to be sated"" said aggrieved, exhausted,"
"through the silence. She was a good slut, so she bent over so that aggrieved could destroy her rectum.
""I want you to make me unable to walk!"" she demanded. Both aggrieved and alspal were incredibly horny. Neither's lust could be restricted. "
"Aggrieved thrusted her butthole so hard, she whimpered in pain, but she wanted to please her sex master. She moaned again, but in pleasure.

Aggrieved spun his sex-slave around and pounded her vagina. She was so tight and he loved that so much"
"Aggrieved pounded her, rubbing her boobs as they bounced up and down as he pumped her with his love. The two felt so connected. He kept pounding her until he came a second time, inside her.

Done with their intense love-making, the two lay in bed together"
"thinking about their future baby name. The two of them liked the name James very much, especially aggrieved.

Alspal curled up closer under the covers to aggrieved. She sighed with happiness, as aggrieved pulled her in closer, and she fell"
"asleep in his arms.

""I love you, aggrieved"", she said, falling asleep.

In the silence, aggrieved whispered gently into her ear,

""I love you too"""

Nothing

Nothing to see there.

Still nothing.
Why are you still turning pages ? I told you that there is nothing in this book.

Really ?! You are still here ? I am sure you have other things to do.

So I guess you have nothing better to do.

You should give up now, you will never reach the end.

You are wasting your time, really.
Stop.

"

STOP"

IF YOU GO TO THE END YOU WILL REGRET IT.
"THE WHOLE UNIVERSE IS GOING TO COLLAPSE !

STOP !!!!"

NOOOO
IT WILL BE YOUR FAULT. DON'T CRY AFTER GOING TO THE END OF THIS BOOK !!!
"CLOSE THIS BOOK

La Marseillaise

" La Marseillaise

La Marseillaise est l'hymne national français. Les six premiers couplet furent écrit par Rouget de Lisle en 1792. L'auteur du septième couplet reste inconnu."
" Premier couplet

Allons, enfants de la Patrie,
Le jour de gloire est arrivé !
Contre nous de la tyrannie
L'étendard sanglant est levé, (bis)
Entendez vous dans les campagnes
Mugir ces féroces"
"soldats ?
Ils viennent jusque dans vos bras
Egorger vos fils et vos compagnes !

Refrain

Aux armes, citoyens,
Formez vos bataillons,
Marchons, marchons !
Qu'un sang impur
Abreuve nos sillons !"
" Deuxième couplet

Que veux cette horde d'esclaves,
De traîtres, de rois conjurés ?
Pour qui ces ignobles entraives,

Ces fers dès longtemps préparés ? (bis)
Français, pour nous, ah ! quel outrage !"
"Quels transports il doit exciter !
C'est nous qu'on ose méditer
De rendre à l'antique esclavage !

[Refrain]
Troisième couplet

Quoi ! des cohortes étrangères
Feraient la loi dans"
"nos foyers !
Quoi ! ces phalanges mercenaires
Terrasseraient nos fièrs guerriers !(bis)
Grand Dieu ! par des mains enchaînées
Nos fronts sous le joug se ploieraient !
De vils despotes deviendraient
Les Maîtres de nos destinées !"
" [Refrain]
Quatrième couplet

Tremblez, tyrans, et vous, perfides,
L'opprobre de tous les partis,
Tremblez ! vos projets parricides
Vont enfin recevoir leurs prix ! (bis)
Tout est soldat pour vous combattre,"
"S'ils tombent, nos jeunes héros,
La terre en produit de nouveaux,
Contre vous tout prêts à se battre !

[Refrain]
Cinquième couplet

Français, en guerriers magnanimes,
Portez ou retenez"
"vos coups !
Epargnez ces tristes victimes,
A regret s'armant contre nous (bis)
Mais ces despotes sanguinaires,
Mais ces complices de Bouillé,
Tous ces tigres qui, sans pitié,
Déchirent le sein de leur mère !"
" [Refrain]
Sixième couplet

Amour sacré de la Patrie,
Conduis, soutiens nos bras vengeurs.
Liberté, liberté chérie,
Combats avec tes défenseurs ! (bis)

Sous nos drapeau que la victoire
Accoure à tes mâles"
"accents,
Que tes énemis expirants
Voient ton triomphe et notre gloire !

[Refrain]
Septième couplet

Nous entrerons dans la carrière
Quand nos aînés n'y seront plus,"
"Nous y trouverons leur poussière
Et la trace de leur vertus (bis)
Bien moins jaloux de leur survivre
Que de partager leur cerceuil,
Nous aurons le sublime orgeuil
De les venger ou de les suivre."

Hardcore Journal

"Hello, this is my
hardcore journal,
I will write in it at
the end of each
day of my
hardcore
adventure."
"Day 1
It was a pretty nice day (for a first day). I spawned in a flower forrest, with a lot of animals. I started to cut wood, make tools...
And I quickly found a huge cave, with tons of iron and coal ore. I mined them all and then realized that the"
"day was about to end.
According to the sun's position, I didn't have enough time to make a house... Luckily, I had enough wool to make a bed. So I'm going to sleep in the cave, hoping that I've put enough torches to prevent mobs from spawning."
"Day 2
When I woke up, the air wasn't smelling good. A foul odor had spread in the cave, I don't know where it came from. But anyway, I had to build my house. I choosed an area near the entrance of the cave and removed the trees within it. I also took"
the flowers, they could be usefull for decoration. Then I started building with the birch wood I got. I then added some windows : next to my house was a small lake with sand that I used to make glass. When I finished the structure of the house, I placed
my crafting table, furnace, bed... I also lit both the interior and exterior of my house. The day quickly ended, I was a bit disapointed that I did no more than building my house. But I was really tired so I just wrote this paragraph, and now I'm going to
"bed.
Day 3
If I had to describe this day in one word, it would be : mine. I indeed spent almost all the day mining, as I had no longer any iron or coal. The cave near my house wasn't going deep, so I started my own mine from my house. I did"
"found a lot of ores, like coal, iron, gold, and even redstone !

But no diamonds... I also found some caves, but they were filled with monsters. When I came back to the surface and saw that the moon already its rise in the sky, I was a little bit scary, "
"probably because I heard tons of weirds, creepy sounds while mining. As writing these lines, I think I have a bad feelings about this adventure.
Day 4
This day was... just boring. After mining a lot, wanted to explore the surface. But as soon as I"
went out of my house, it started raining. I thought that it will soon stop and went exploring the world anyway, but I was wrong, and it never stopped raining until I wrote this paragraph. I used my iron to make a full armour, so I was at least feeling
more safe. I walked North until I found a big mountain. I'm not the type of person who likes challenges, but I couldn't imagine how nice is the view from the top of it : I started climbing. When I was almost arrived at the top, I realized that the rain
was now accompanied by thunder. And it was raining so much, that I couldn't see anything more than 10m away. I turned arround and was so confused when I saw a chest. Why is there a chest on top of a mountain, in the middle of nowhere ? There was a compass
"inside it. I quickly took it (it can be helpfull to return to my house if I get lost) and came back to my home, as the sky was getting darker.
Day 5
I looked at the compass, and I realized that it wasn't a regular Minecraft compass. It wasn't"
pointing to the place I first spawned (as it should), it was pointing to an other place. I can't know how far it was, but I know the direction that leads to it. I spent the rest of the day improving my home, by placing torches arrount it and building a
new floor. I went back in the house and I smelt something : the same odor that I was smelling in the cave. Then, a thunderstorm sounded and a lightning hurted my house and made it burn. I noticed that it wasn't raining, so I had not a lot of time until my
house and my item get destroyed by the fire. I took all my precious stuff and went to the cave, from where I wrote this part of the journal. I have no bed to skip the night, and my house... I looked at it and it basicly no longer exists. I remembered the
"compass, maybe it was leading to a base, or a teasure ? But it could be a terrible dungeon with hundreds of mobs... I can't know, I've never seen that in Minecraft. But this compass is my only chance to get a new home.
Day 6
I followed the"
direction of the compass, the way was extremly long. I realized that the compass was pointing to the entrance of a cave. I decided that I will explore it tomorrow. Today, I will first try to make a new house near this cave. I made a little underground
base. I have no bed so I will sleep on the ground. I don't know what I will find in this cave, but if I stop writing in this journal, it means that I am dead.

Barenziah Part 1

Five hundred years ago in Mournhold, city of gems, there lived a blind widow woman and her only child, a strapping young man. He was a miner, as was his father before him, a common laborer in the king's mines, for his magicka ability was but small.
"The work was honorable, but poorly paid. His mother made and sold small wildenberry cakes in the market to help eke out their living
They did well enough, his mother said.
"
"They had enough to fill their bellies, no one could wear more than one suit of clothing at a time and the roof only leaked when it rained. Symmachus would have liked more.
He hoped for a lucky strike in the mines, which would garner him a large bonus."
In his free hours he enjoyed hoisting a glass of ale in the tavern with his friends, and gambling with them at cards, and he drew the eyes and sighs of more than one pretty elven girl, although none held his interest for long. In short, Symmachus was a typical young dark elf man, remarkable only for his size. It was rumored that he had a bit of Nord blood in him. In Symmachus' thirtieth year there was great rejoicing in Mournhold for a girl child was born to their lord and his lady.
A queen, the people sang, a queen is born to us! For among the people of Mournhold, the birth of a female heir is a sure sign of peace and prosperity to come.
"When the time came for royal child's Rite of Naming, the mines were closed and Symmachus rushed home to bathe and dress in his best.
""I'll come straight home and tell you all about it,"" he promised his mother, who was not to attend."

"She had been ailing; besides, there would be a great crush of people as all Mournhold would be there, and being blind she would be unable to see anything anyway.
""My son,"" she said."
" ""Ere you go, fetch me a priest or healer, else I may pass from the mortal plane ere you return."" Symmachus crossed to her bed at once and noted anxiously that her head was very hot and her breathing shallow."
"He pried up the loose floorboard where their small hoard of savings was kept. There wasn't nearly enough to pay a priest for healing.
He would have to give what they had and owe the rest. Symmachus snatched up his cloak and rushed away."
"The streets were full of folk hurrying to the sacred grove, but the mage guild and the temples were locked and barred. ""Closed for the ceremony"" read the signs. Symmachus elbowed his way through the crowd and managed to overtake a brown-robed monk."
"""After the rite, brother,"" the monk said, ""if you have gold I shall gladly to attend your mother. My lord has bade all clerics to attend and I shall not offend him."" "
"""My mother's desperately ill,"" Symmachus pled. ""Surely, my lord will not miss just one lowly monk."" ""The father abbot will,"" the monk said nervously, tearing his robe loose from Symmachus' grip and vanishing into the crowd.

"
Symmachus tried other monks and mages, too, but with no better result. Armored guards came through the street and pushed him aside with their lances and Symmachus realized that the royal procession was approaching.
"As the royal carriage drew abreast, Symmachus rushed out from the crowd and shouted, ""My lord, my mother's dying--""

""I forbid her to do so on this glorious night!"""
 the lord shouted, laughing and scattering coin into the throng. Symmachus was close enough to smell wine on the royal breath.
"On the other side of the carriage his lady clutched her babe to her breast, and stared wide-eyed at Symmachus, her nostrils flared in disdain. "
"""Guards!"" she cried. ""Remove this oaf."" Rough hands seized Symmachus. He was beaten and left dazed by the side of the road. "
"Symmachus, head aching, followed in the wake of the crowd and watched the Rite of Naming from the top of the hill. He could see the brown robed clerics and blue robed mages gathered near the royal folk far below.

"
Barenziah. The name came dim to Symmachus ears as the High Priest lifted the naked babe and showed her to the twin moons on either side of the horizon: Jone rising, Jode setting.
" ""Behold the Lady Barenziah, born to the rule of Mournhold! Grant her thy blessings and thy counsel ever that she rule to Mournhold's weal."" ""Blessings, blessings..."" all the people murmured with their lord and lady, hands upraised."
Only Symmachus stood silent, head bowed, knowing in his heart that his dear mother was gone. And in his silence he swore a mighty oath, that he should be his lord's bane and in vengeance for his mother's needless death, the child Barenziah he would have as his own bride, that his mother's grandchildren should be born to rule Mournhold.
After the ceremony he watched impassively as the royal procession returned to the palace. He saw the monk to whom he'd spoken first. The man came gladly enough now in return for the gold Symmachus had and a promise of more later.
"They found his mother dead, as he had feared. The monk sighed and tucked the bag away. ""I'm sorry, brother. Well, you can forget the rest of the gold, as there's naught I can do here. Likely--"""

""""Give me back my gold!"" Symmachus snarled. ""You've done naught to earn it!"" He lifted his right arm threateningly. The priest backed away, beginning a curse, but Symmachus struck him before more than three words had left his mouth."
"He went down heavily, striking his head sharply on one of the stones that formed the firepit. He died instantly.

Symmachus took the gold back and fled the city, muttering the name ""Barenziah""."

Barenziah Part 2

"✪ Barenziah Part 2 ✪

Barenziah grew like a weed transplanted to a Skyrim garden, a ward of Count Sven and his wife Lady Inga. Outwardly she thrived but there was a cold and empty place within."
""""I've raised her as my own daughter,"" Lady Inga was wont to sigh when she sat gossiping with neighboring ladies come to visit, ""But she's a dark elf. What can you expect?""
Barenziah was not meant to overhear these words.
At least she thought she was not."
Her hearing was far keener than that of her Nord hosts. Other, less desirable dark elf traits included pilfering, lying and a little magic, just a small fire spell and a little levitation.
And, as she grew older, a keen interest in boys and men, who could provide very pleasant sensations and, to her astonishment, gifts as well. Inga disapproved of this activity for reasons incomprehensible to Barenziah,
"so she was careful to keep it as secret as possible. ""She's wonderful with the children,"" Inga added, meaning her five sons, all younger than Barenziah. ""She'd never see them come to harm.""

"
A tutor was hired when Jonny was six and Barenziah eight, and she studied academic lessons along with him. She would have liked arms training as well, but the very idea of a girl training to arms scandalized Inga and Sven. Barenziah was given a bow and allowed to practice target shooting with the boys. She watched them at arms practice when she could, practiced with them when no grown folk were about, and knew she was as good or better than they.
""""She's very proud, isn't she?"" the neighbor ladies would whisper, and Barenziah, pretending not to hear, would nod in agreement. She could not help but feel superior to the Count and Countess. "
There was something about them that encouraged this disdain in her. She grew to learn that Sven and Inga were distant cousins of the last rulers of Darkmoon, and then she began to understand.
They were poseurs, imposters, not rulers at all. At least, they were not raised to rule. This thought made her strangely furious at them, a good clean hatred detached from resentment. Barenziah came to see them as disgusting and corrupted insects
who could be despised, but never feared. Once a month a courier came from the emperor, bringing a small bag of gold for Inga and Sven and a large bag of dried mushrooms from Morrowind for Barenziah's consumption.
She was always made presentable, as presentable as a skinny dark elf girl could be made to look in Inga's eyes, and summoned into the courier's presence for a brief interview.
The same courier seldom came twice, but all looked her over rather as a farmer looks over a pig he's readying for market. In the spring of her sixteenth year Barenziah thought the courier looked as if she were at last ready for market.
Upon reflection Barenziah decided that she did not wish to be marketed. The stable-boy, Straw, a big blond boy, clumsy, gentle, affectionate and rather simple, had been urging her to run off with him for some weeks.
Barenziah stole the bag of gold the courier had left, took the mushrooms from the storeroom, dressed herself as a boy in some of twelve year old Timmy's casual clothing, and one fine spring night they took the two best horses

and rode hard through the night toward Whiterun, the nearest city of any size, which was where Straw wanted to go. But Morrowind also lay east and it drew Barenziah as a lodestone does iron.
In the morning they abandoned the horses at Barenziah's insistence. She knew they would be missed and tracked, and she hoped to throw pursuers off the trail.
They continued afoot until late afternoon, keeping to side roads, then slept for several hours in an abandoned hut. They went on at dusk and came to the Whiterun city gates just before dawn.
Barenziah had prepared a pass for Straw, stating an errand to a temple in the city for a local village lord. She herself sneaked over the wall with the help of her levitation spell.
She had reasoned that by now the gate guards would have been alerted to look for a young dark elf and a Nord boy traveling together, but country boys like Straw were common enough. Alone and with papers, he would be unlikely to draw their attention.
Her simple plan went smoothly. She met Straw at the temple, which was not far from the gate. She had been to Whiterun on a few previous occasions. Straw, however, had never been more than a few miles from Sven's estate, his birthplace.
Together they made their way to a run-down inn in the poor quarter of Whiterun. Gloved, cloaked and hooded against the chill of the morning, her dark skin and red eyes were not apparent and no one paid any attention to them. They entered the inn separately. Sven paid the host for a single room, a large meal and a jug of ale, and Barenziah sneaked in a few minutes later. They stayed a week in Whiterun.
Straw earned a bit of money running errands and Barenziah robbed a few houses at night. Barenziah continued to dress as a boy. She cut her hair short and dyed her flame-red tresses jet black as a further disguise,
and kept out of sight as much as possible for there were few dark elves in Whiterun. Then Straw got them places as guards for a merchant caravan that was traveling east. The sergeant looked her over dubiously.
""""Heh,"" he chuckled, ""'dark elf, ain'tcha? Like setting a wolf to guard the sheep, that is. Still, I need arms, and we ain't going near enough to Morrowind that ye can betray us to yer brothers. Our home-grown bandits will as lief cut yer throat as mine.""

"
The sergeant gave Straw an appraising look, then abruptly spun back to Barenziah, whipping out his short sword. But she had her knife out and was in a defensive stance. Straw drew his own knife and circled to the man's rear.
"The sergeant dropped his blade and chuckled again, ""Not bad, kids, not bad. How are ye with that bow, dark elf?"" Barenziah demonstrated her prowess. ""'Aye, not bad, not bad a'tall. And ye'll be keen of eye by night and of hearing at all times."
" A trusty dark elf makes as good a fightin' man as any could ask for. I know. I served under Symmachus himself before I lost this arm and got invalided out of the Emperor's forces."""
""""We could betray them. I know folk who'd pay well,"" Straw said later, as they bedded down for their last night in the old inn, ""'Or rob them ourselves. They're very rich, those merchants are, Berry.""

"
"Barenziah chuckled, ""'What ever would we do with so much money? And we need their protection for traveling quite as much as they need ours.""

"
""""We could buy a little farm and settle down.""
Peasant! Barenziah thought scornfully. Straw was a peasant and had peasant dreams. But all she said was, ""'Not here, Straw, we're too close to Darkmoor still. We'll have more chances farther east.""

"

The caravan went only as far east as Sunguard. Tiber Septim had done much in the way of building relatively safe patrolled highways, but his tolls were steep, and this particular caravan kept to the side roads as much as possible to avoid them.
This exposed them to the hazards of robber barons, both human and orcish, and roving bands of brigands of various races, but such were the perils of trade and profit.
They had two such encounters before reaching Sunguard, an ambush which Barenziah's keen ears detected in plenty of time for them to circle about and surprise the lurkers,
and a night attack by a mixed band of Khajiiti, humans and wood elves. The latter were a skilled band and even Barenziah did not hear them sneaking up in time to give much warning.
"The fighting was fierce. The attackers were driven off, but two of the caravan's guards were killed, and Straw got a nasty cut on his thigh before he and Barenziah killed his Khajiit assailant.

"

Barenziah rather enjoyed the life. The garrulous sergeant had taken a liking to her, and she spent most of her evenings sitting around a campfire listening to his tales of campaigning in Morrowind with Tiber Septim and Symmachus.
"Symmachus had been made a general after Mournhold fell, the sergeant said. ""He's a fine soldier, Symmachus is, but there was more than soldiery involved in Morrowind, if you take my drift. Well, you know about that, I expect."""
"""I don't remember,"" Barenziah said, ""I've mostly lived in Skyrim. My mother married a Skyrim man. They're both dead, though. What happened to the lord and lady of Mournhold?""

"

"The sergeant shrugged, ""I never heard. Dead, I expect. All Morrowind's under military rule now. It's pretty quiet. Maybe too quiet. Like a calm before a storm. You going back there?""

"

"""Maybe,"" Barenziah said. The truth was that she was drawn to Morrowind like a magnet. Straw sensed it and was unhappy about it. He was unhappy anyway, since they could not bed together, as she was supposed to be a boy."
Barenziah rather missed it too, but not as much as Straw did, seemingly. The sergeant wanted them to sign on for the return trip, but gave them a bonus when they parted and letters of recommendation.
Straw wanted to settle permanently near Sunguard, but Barenziah insisted on continuing to travel east.
"""I'm the queen of Mournhold by rights,"" she said, unsure whether it was true, or it was a story she had made up as a child. ""I want to go home. I need to go home.""

"

That at least was true. She had run out of mushrooms and was very hungry for them. She found a few for sale in the Sunguard marketplace, but they were not as good or satisfying as the ones the courier had brought.
After a few weeks they managed to get places in a caravan heading east. By early winter, they were in Riften, and near the Morrowind border, but the weather had grown severe and they were told no merchant caravans would set forth until mid-spring.

Barenziah Part 3

" WARNING
This book contains mature subject matter. Reader discretion is advised."
"They settled into Rifton for the winter, taking a cheap room in the slums. Barenziah joined the Thieves' Guild, knowing there would be trouble if she were caught free-lancing. One day in the barroom she caught the eye of a known member of the guild,"

"a bold Khajiit named Therris. She offered to bed with him if he would sponsor her for membership. He looked her over, grinning, and agreed, but said she'd still have to pass a test.

""What sort of test?""
"
"""Ah,"" Therris said. ""Payment first, sweet thing."" He put an arm around her, leaned over and kissed her, thrusting his tongue deep into her mouth and his free hand into her shirt. "
"""Nice,"" he said presently, withdrawing his tongue, but not his hand. His other hand slid down inside her waistband and fondled her buttocks. ""Let's go upstairs. We can use my room,"" Barenziah felt both embarassed and excited by his boldness."
"Therris grinned insolently. ""Why bother? You want me, don't you? I'll bet you'd pay me, wouldn't you?"" ""No,"" Barenziah said. She did want him, but not that badly. "
"""No? Well, a bargain's a bargain and Therris keeps his word. But here. Now."" He hiked her skirt up and pulled her onto his lap so she sat astride, facing him. He opened her shirt and pulled it down on her shoulders so that her breasts were exposed."
"""Nice pair, kid."" She was facing the wall but she could feel the stares of the other patrons.
A hush had fallen over the place. Even the bard had stilled. She felt both nausea and a hot burning desire."
"Her hands released his turgid penis and then it was inside her and she was screaming in both pain and ecstasy. Then everything went black.
When she came to herself again she was sitting beside Therris, who was buttoning her shirt."
"""That hurt!"" she said indignantly.
""Always does, kid. Didn't anyone ever tell you about Khajiit men? It hurts good though, now doesn't it?"" Barenziah scowled at him. She was still smarting. His penis had tiny little barbs on it."
"""Well, the deal's off, if you like,"" he shrugged. ""No, I didn't say that. Only I prefer privacy, and I want to wait awhile, like a day or so before the next time.""
Therris laughed. ""You're OK, kid."""
Straw was going to kill her, and maybe Therris too. What in Tamriel had possessed her to do such a thing? She cast an anxious look around the room, but the other patrons had lost interest and gone back to their own business.
She did not recognize any of them; this wasn't the inn where she lived. With luck it'd be awhile, or never, before Straw found out. But Therris was by far the most exciting and attractive man she'd yet met.
He not only told her about the skills needed to be a member of the Thieves' Guild, but trained her in them himself or introduced her to people who could teach her. Among these was a Nord woman who knew something about magic.
Katisha was plump and matronly. She was married to a smith, had two teen aged children and was perfectly ordinary and respectable except that she was very fond of cats, had a gift for certain kinds of magic, and cultivated rather odd friends.
She taught Barenziah an Invisibility spell and trained her in other forms of stealth and disguise. Katisha mingled magical and non-magical talents freely, using one to enhance the other.
She was not a member of the Thieves' Guild but was fond of Therris in a motherly sort of fashion. Barenziah warmed to her as she never had to any woman, and over the next few weeks she told Katisha all about herself. She brought Straw there, too.
Straw approved of Katisha but not of Therris. Therris found Straw amusing and suggested to Barenziah that they arrange what he called a threesome.
"""Indeed not,"" Barenziah said, grateful that Therris had broached the subject in private. ""He wouldn't like it. I wouldn't like it!"" "
"Therris smiled his charming triangular cat-smile and sprawled lazily back in his chair, curling his tail. ""You might both be surprised. Pairing is so boring. Well, would you mind if I brought a friend?"" "
"""Yes. If you're bored with me you and your friend can find someone else."" She was a member of the Thieves' Guild now. She found Therris useful but not essential. Maybe she was a bit bored with him, too."

She talked to Katisha about her men problems. Katisha shook her head and told her she was looking for love, not sex, that she'd know the right man when she found him, and that neither Straw nor Therris was the right one for her.
"Barenziah cocked her head to one side quizzically. ""They say dark elf women are pro- pro- something. Prostitutes?"" "
"""You mean promiscuous, although some do become prostitutes, I suppose. Elf women are promiscuous when they're young. You'll outgrow it. Perhaps you're beginning to already,"" Katisha said hopefully. "
"""You ought to meet some nice elven boys, though. If you keep on keeping company with Khajiits and humans you'll find yourself pregnant soon."" "
"Barenziah smiled involuntarily at the thought. ""I'd like that. But it would be inconvenient, wouldn't it? Babies are a lot of trouble, and I don't even have a home yet."" "

Mythic Dawn Commentaries 1

Greetings, novitiate, and know first a reassurance: Mankar Camoran was once like you, asleep, unwise, protonymic. We mortals leave the dreaming-sleeve of birth the same, unmantled save for the symbiosis with our mothers, "thus to practice and thus to rapprochement, until finally we might through new eyes leave our hearths without need or fear that she remains behind. In this moment we destroy her forever and enter the demesne of Lord Dagon." Reader, this book is your door to that demesne and though you be a destroyer you must still submit to locks. Lord Dagon would only have those clever enough to pause; all else the Aurbis claims in their fool running.
Walk first. Heed. The impatience you feel is your first slave to behead. Enter as Lord Dagon has written: come slow and bring four keys. Know that then you are royalty, a new breed of destroyer, whose garden shall flood with flowers known and unknown,
as it was in the mythic dawn. Thus shall you return to your first primal wail and yet come out different. It shall this time be neonymbiosis, master akin to Master, whose Mother is miasma.
Every quarter has known us, and none bore our passing except with trembling. Perhaps you came to us through war, or study, or shadow, or the alignment of certain snakes. Though each path matters in its kind, the prize is always thus: welcome, novitiate,
that you are here at all means that you have the worthiness of kings. Seek thy pocket now, and look! There is the first key, glinting with the light of a new dawn.
Night follows day, and so know that this primary insight shall fall alike unto the turbulent evening sea where all faiths are tested. Again, a reassurance: even the Usurper went under the Iliac before he rose up to claim his fleet. Fear only for a second.
Shaken belief is like water for a purpose: in the garden of the Dawn we shall breathe whole realities. Enter as Lord Dagon has written: come slow and bring four keys. Our Order is based on the principles of his mighty razor: Novitiate,
Questing Knight, Chaplain, and Master. Let the evil ones burn in its light as if by the excess of our vision. Then shalt our Knowledge go aright. However, recall that your sight is yet narrow, and while you have the invitation, you have not the address.
My own summons came through a book Lord Dagon wrote himself in the deserts of rust and wounds. Its name is the 'Mysterium Xarxes', Aldmeretada aggregate, forefather to the wife of all enigma.

Each word is razor-fed and secret, thinner than cataclysms, tarnished like red-drink. That I mention it at all is testament to your new rank, my child. Your name is now cut into its weight.
Palace, hut, or cave, you have left all the fog worlds of conception behind. Nu-mantia! Liberty! Rejoice in the promise of paradise! Endlessly it shall form and reform around you, deeds as entities, all-systems only an hour before they bloom to zero sums,
flowering like vestments, divine raiment worn to dance at Lord Dagon's golden feet. In his first arm, a storm, his second the rush of plagued rain, the third all the tinder of Anu, and the fourth the very eyes of Padhome.
Feel uplifted in thine heart that you have this first key, for it shall strike high and low into the wormrot of false heavens. Roaring I wandered until I grew hoarse with the gospel.
I had read the mysteries of Lord Dagon and feeling anew went mad with the overflow. My words found no purchase until I became hidden. These were not words for the common of Tamriel,
whose clergy long ago feigned the very existence of the Dawn. Learn from my mistake; know that humility was Mankar Camoran's original wisdom. Come slow, and bring four keys.
Offering myself to that daybreak allowed the girdle of grace to contain me. When my voice returned, it spoke with another tongue. After three nights I could speak fire.
Red-drink, razor-fed, I had glimpsed the path unto the garden, and knew that to inform others of its harbor I had to first drown myself in search's sea. Know ye that I have found my fleet, and that you are the flagship of my hope.
Greetings, novitiate, Mankar Camoran was once you, asleep, unwise, protonymic, but Am No More. Now I sit and wait to feast with thee on all the worlds of this cosmos. Nu-mantia! Liberty!

The Aldabal-a

" The Adabal-a
----------§lPELINAL'S DEATH

§rAnd in the blood-floored throne room of White-Gold, the severed head of Pelinal spoke to the winged-bull, Morihaus, demigod lover of Al-Esh, saying,"
"""Our enemies have undone me, and spread my body into hiding. In mockery of divine purpose, the Ayleids cut me into eighths, for they are obsessed with this number.""
"
"And Morihaus, confused, snorted through his ring, saying, ""Your crusades went beyond her counsel, Whitestrake, but I am a bull, and therefore reckless in my wit."
"I think I would go and gore our prisoners if you had left any alive. You are blood-made-glorious, uncle, and will come again, as fox animal or light. Cyrod is still ours."""
"Then Pelinal spoke again for the last time: ""Beware, Morihaus, beware! With the foresight of death I know now that my foe yet lives, bitter knowledge to take to my grave. "
"Better that I had died believing myself the victor. Although cast beyond the doors of night, he will return. Be vigilant! I can no longer shield the host of Men from Umaril's retribution."""
"§lALESSIA'S YOUTH DURING THE SLAVE-YEARS

§rPerrif's original tribe is unknown, but she grew up in Sard, anon Sardarvar Leed, where the Ayleids herded in men from across all the Niben: kothri, nede, al-gemha, men-of-'kreath"
(though these were later known to be imported from the North), keptu, men-of-ge (who were eventually destroyed when the Flower King Nilichi made great sacrifice to an insect god named [lost]), al-hared, men-of-ket, others;
but this was Cyrod, the heart of the imperatum saliache, where men knew no freedom, even to keep family, or choice of name except in secret, and so to their alien masters all of these designations were irrelevant.
Men were given over to the lifting of stones, and the draining of the fields, and the upkeep of temple and road; or to become art-tortures for strange pleasures, as in the wailing wheels of Vindasel and the gut-gardens of Sercen;

"and flesh-sculpture, which was everywhere among the slaves of the Ayleids in those days; or, worse, the realms of the Fire King Hadhuul, where the begetting of drugs drawn from the admixture of daedrons into living hosts" let one inhale new visions of torment, and children were set aflame for nighttime tiger sport.
"§lMORIHAUS EXPLAINS ALESSIA'S NAMES

§rThen Morihaus said to them: ""In your tales you have many names for her: Al-Esh, given to her in awe, that when translated sounds like a redundancy, 'the high high', from which come the more more familiar corruptions:" Aleshut, Esha, Alessia. You knew her as Paravant, given to her when crowned, 'first of its kind', by which the gods meant a mortal worthy of the majesty that is killing-questing-healing, which is also Paraval,
"Pevesh, Perrethu, Perrif, and, in my case, for it is what I called her when we were lovers: Paravania.""

""Though she is gone to me, she remains bathed in stars, first Empress, Lady of Heaven, Queen-ut-Cyrod.""
"
"And they considered themselves full-answered, and departed.

Ahzidals Descent

"In the days beyond memory, when men first walked the lands of Skyrim, there arose in the city of Saarthal a great enchanter. As a boy, his gift for magic and artifice had been evident to his tutors."
As a man, his skill surpassed them all. And finding nothing more to learn among his kin, he left wife and child, and set out to train under the elven masters.
A year became two, then three. And when finally his path led him back to Saarthal, he found only ruins: for the elves had sacked the city, and all that lived there were dead and gone.
Amid the ashes, in the smoldering ruins of his home, he swore a terrible oath of vengeance. And from that comes the name the legends gave him: Ahzidal, the embittered destroyer.
Alone he could do nothing. And so he bided his time, delving deeper into his art than any before him. From the Dwemer, he learned the seven natures of metal and how to harmonize them.

" From the Ayleids, the ancient runes and dawn-magic even the elves had begun to forget. Among Falmer and Chimer and Altmer he traveled, taking what he could from each, and all the while plotting how he might turn that knowledge against them.

"

Finally, word reached him of Ysgramor and his Companions, newly-arrived from Atmora. For three days and nights, he rode north, and met them as they made landfall on the icy coast near the ruins of Saarthal, which the elves had fortified against them.
"He offered the Companions his service, and all he had produced in his years of labor. And with Atmoran steel imbued with his enchantments, the elves fell before them, and at last he had his revenge.

"

But he was not content. His craft had become his life, and his hunger for knowledge still gnawed at him, driving him to delve ever deeper. At long last, he exhausted the lore of the elves, but it was not enough.
He sought the secrets of Dragon-runes, and won for himself a seat among their high priests, but it was not enough.
And at length, he turned his gaze to the planes of Oblivion, and found there both power and madness.
Some say he ventured there, never to return. Others, that he was betrayed by his fellow Dragon Priests, and killed, or driven into hiding in the ruins beneath his beloved Saarthal.
Among the Skaal of Solstheim, it is said he fled to their island, and was sealed in the depths of Kolbjorn Barrow, together with the last of his relics.
But that is the tale, as it was told among the bards of Winterhold. Whatever the truth, the legend of Ahzidal was intended as a warning: in pursuit of perfection, one must take care that the pursuit itself does not become all-consuming.

----------I've begun consideration of constructing a library down here in my... hm what's a cliche and overserious name I can call this place.
The Annuls... The Sanctum... Uh... The Danktum... I'll go with the sanctum for now."
"Anyways I will soon commence with the library.

While excavating the shaft downwards I accidentially dug into someones house. That was very nearly a banishment.

Worried someone could break in,"
"I built a large piston door to block anyone from getting in through the library shaft.

I got of constructing the library and decided instead to go on a ""pants shitting adventure"" with Snakyman."
He took us through a narrow hollowed tunnel hewn through rock and dirt. Until we eventually reached a bottomless void. Then we left. I then began construction on a rather dull and ugly although functional perimiter wall. Soon afterwards, I finished.

" THE TOWER

There was peace in the world. Life went as usual. Until one time the Great Eclipse occurred. Darkness reigned in the world. An unusual red moon appeared on the horizon. People and animals were scared. Soon dragons came."
"They burned the forests and cities one after another. The troops could not oppose flying monsters.

But once in the darkness of the sky the fire flashed. Something fell from the sky to the ground behind the hills. People threw their last forces"
to search for a mysterious object. Overcoming the mountains and rivers, hiding from the eyes of the dragons, a group of saviors reached the object. It was a sword stuck in the ground, with a weak shining stone on it. Strong energy that attracted dozens of
"dragons, was coming from it.

The squad decided that this is the only miracle that could save the world. They are divided into 3 groups. The first valiantly gave their lives to distract the majority of the dragons. The second gave their lives fighting"
and defending the approach to the sword. The third had to take the sword out of the ground and try it on the fire-breathing demons. However, they could not cope with the task because of the superior number of monsters. Everyone lost heart and began to
"flee from the battlefield.

The slaughter continued until suddenly everyone were blinded by the glow. It was a sword in the hands of a man. But it was not a warrior. It was an ordinary commoner who crept to the sword while the dragons were"
distracted by troops. The hero, hiding, followed the warriors from the city itself. There was a sword in his hands, but he did not know how to handle the weapon. All the nearby dragons charged at him. Suddenly he felt an unknown power and was able to
"fight off the demons that had flown to him.
Dragons flew from the horizon, from all over the world. His movements were quick as a lightning. His sword cut the scales like a water surface. His perseverance was stronger than steel. The hero and his sword"
"grew stronger. The light from the sword intensified. Red planet began to go out of the horizon.

Here is the last dragon killed. The rays of the sun began to emerge from dark sky.
But the hero fell down to his knees with the face down. People ran to"
meet the savior. The sword began to fade away, and with it the hero. When people reached, all that remained was the skeleton of a stranger and the sword with a weak glow. Getting on the corpses of dragons, the light turned flesh into stone and hearts

into purple crystals. People quickly realized that the crystals have an unusual property. They allow matter to levitate. The battle site was excavated and the Tower was erected in its place. Inside, a sarchiphagus with a hero and a sword, once saved
humanity.

"Chapter 1

You arrive at a cafe with your friends. You're bored out of your mind and your friends aren't making it any better. Suddenly, you eye a person sitting from the table across from you. You're shocked by the sheer, utter.."

"..manliness of that person. ""Who are you looking at, "" one of your friends ask. They turn around and see said person. ""You got a crush on him, don't you? "" Your face turns red and you deny that you looked at him. ""Psh, okay. You totally didn't, "" they say"
"The waiter comes up and you order a decaf coffee. Suddenly, the person you were staring at gets up and starts approaching your table. "" Oh god, oh god, "" you start whispering under your breath. ""You guys know how to get a girlfriend? Just asking since you"
"..guys are girls. "" You try to hold back any speech, because you know it would come out all strange. "" Well, we do know a person who would be interested in you.. "" You instantly look at your friend and regret the fact you were ever born.""Nevermind, she.."
"..moved yesterday."" You sigh in relief, knowing that you weren't publicly embarrassed. After hanging out with your friends, you head back home and you enter your house. You sit down on the couch, turn on the T.V. then go to sleep afterwards."
"Chapter 2
You wake up at 12:32 in the afternoon. After a few minutes, you feel like ordering pizza. Nothing wrong with that. So, you order some pizza and on the delivery instructions, you type, ""Send your cutest delivery boy."""
It was a joke, nothing bad could come out of it. You have to wait 42 minutes for it to be delivered to your house, so you sit on your couch and watch some television. Finally, someone knocks on your door, the delivery boy. He's standing on the doorway and
"you didn't believe what you saw. It was the same guy from the cafe. You both have the same expression on your face, shocked. You blush, and look at the floor shyly. "" C-could I..uhm..ask what your name is."" He replys, saying, ""Broncoskip."" Such a name."
""" W-well, could I get your..number? "" You ask him this question and fuck I can't write anymore of this shit.

While I can write shit, I just can't put effort into long stories such as this.

Stop reading this and go to bed."

Fries

"Dear MCO,

Today I ate some fries. They were amazing fries. They were grand fries. The fries were pre-seasoned so I could enjoy my fries more. I bought them online. I fried them myself. I put Buffalo Wild Wings Medium Sauce on them."
"These fries come from Checker's. They have the best damn fries. Unfortunately they are only available in the USA, so I had them shipped. It's worst the extra cost. I love these fries. Time to eat more fries.

5 Tips for Noobs

"Here are 5 tips that I wish someone had told me when I first joined the server:

1: Kits

Though you can't buy kits for money (anymore) you can vote on the server on the two websites listed by doing /vote.
You then get vote tokens with which you "
can buy kits. These kits mostly give commands like one for free armour and tool sets every hour, teleportation and movement commands, and more OP commands in later kits like /heal and /feed. You can only vote once a day on each website, thus it is wise to
"start voting early on to save up to more expensive kits. You can also vote without being online on the server, and you will still get your vote tokens. You can read more about the kits at: https://minecraftonline.com/wiki/Store

2: Wiki
MinecraftOnline"
has its own wiki, and its quite useful. If you're ever wondering something about the server, like for example where farms are located or more in-depth explanations on the rules, the wiki most certainly has it written down. You can also write your own
"pages, for example documenting your base and builds or a wiki page about yourself. If you can't find the info on the wiki you can always ask other players.

3: Contacting Staff
If you've ever accidently broken someone's block or placed a block on"
someone's build you should contact an online staff member to avoid being interrogated, they will then teleport to the location of your grief and reverse it. If a staff member isn't online you can always do /staff -message- and report whatever accidental
"grief you've done.

4: Trolls
Though MinecraftOnline's community is mostly nice there are some players that don't have good intentions. Don't be surprised when people have stolen items from your unlocked chests, or when people lurk at"
the Nexus central to try to kill you, either for your player head or your items. In some cases people can even kill you when you're afk at a farm or sneak up to your base while invisible and steal from chests you unlock. Though the last two cases are more
"uncommon I don't have any tips for protecting yourself in those situations. So don't let your guard down!

5: Locking Your Chests
Stealing is allowed on MinecraftOnline, as long as you don't grief to access the items, so the best way to stop people from"
stealing from you is to lock your chests, you can do this by placing a block on top of the chest so people can't open it. I can not stress how important this is. Locking your chests on MinecraftOnline is like using a condom while having sex: if you don't
it's unsafe and just plain stupid. The best way to lock it is by placing a wool block on top of the chest, since wool blocks give a special alert to staff when destroyed.

Why should you pick me? Well I have been a Head-Admin on a SERVER before so I know the responsibility I need to make sure I am the best of the best of Head-Admins to make sure that the server is fun and everyone is happy
"What can I bring to the server? I can bring another dedicated player, myself and I can bring leadership since I plan to be Head-Admin I play at a minimum 3 hours a day, and also since I do play a lot I can keep watch of the SERVER and Make"
 sure everything is going well and everyone is having fun!
Give me an example situation of someone breaking the rules and what you would do? Well it depends on what the person does and how the server fills about what rule he is breaking so if a guy came to the server
advertising another server I would tell him to stop, if he did it again I would kick him, if he did it a third time it would be a ban

CrunchyBit

Butthole Donuts

"CrunchyBit's Revenge

The day Crunchy was arrested, his brother, Brunchy, was upset. He was mad about his arrest, but also because NoobyTune didn't die from the strong ass hit he delivered to the back of his head. Because of this, he decided to "
"terrorize Nooby's family. He attempted to find Nooby's dad's address, but to no avail. He then decided to make the donuts out of the buttholes of the towns people. ""This is perfect"" said Brunchy triumphantly. He then started abducting people, harvesting"
"their buttholes and putting powder and sugar on them and turning them into donuts to sell. He delivered a box to Nooby with the message of ""Enjoy!"", which he found odd. He opened the box, and found the decomposing butthole donuts, and immediately turned "
them in to the station for DNA tests. The results came in, and they found out it was Crunchy's brother making the donuts. They then went on the search for Crunchy, and they found him harvesting a butthole in a nursing home and powdering 3 others. Nooby
"told him to stop, which angered Brunchy and made him attack. Nooby then shot Brunchy in the face, and that was the end of the butthole donuts.

The End
